

# Ali Moradi

FrontEnd Developer

## ABOUT ME

I'm Ali Moradi, an 18-year-old front-end magician fluent in the languages of JS, TS, React, Redux, Tailwind, and more. With my diverse portfolio, I craft digital experiences that captivate and inspire, breathing life into soulless pixels.

Redux, Tailwind, Bootstrap, Sass, and so more...

## EDUCATION

### • UNIVERSITY

I hold a diploma in Mathematics and Physics from the Talented Students School in Qazvin Province, with a GPA of 17.80.

## EXPERIENCE

### • TIMCHE, A FULLY DEVELOPED STORE

Timche, a fully-fledged website, sculpted by me using React and a toolbox of marvels like React Query, Axios, React Hook Form, and more.

<https://timche.liara.run>

### • GAMING STORE, WITH REACT

Gaming Gear Hub: Crafted with React, Redux, Tailwind, AOS JS, SwiperJS, and more for the ultimate gaming product experience.

<https://gaming-shop.liara.run>

### • TAGHCHE, A WEBSITE WITH HTML, CSS, JS

Taqche, A stylish HTML/CSS/JS site featuring Home, Login, Signup, and Product pages.
